

General Studies

The Associate of Arts in General Studies is ideal if you are at the beginning of your college journey. This degree offers foundational coursework in communication, history, art, literature, mathematics and science and includes several Bible and discipleship courses. Each subject is taught in the context of a Christian worldview so faith and learning are integrated into every subject.

Highlights

- Choose courses in a blended or online learning format on a course-by-course basis.
- Receive a free transcript evaluation.
- Transfer in prior college credits or credits earned through testing or military education.
- Work with your admission counselor to develop a customized learning plan.
- Prepare for further study toward a bachelor's degree in your area of interest.
- Increase earnings beyond those with just a high school diploma.
- Assess your educational and career interests through a variety of courses.

Career opportunities

An associate's degree in General Studies is designed to prepare you for further study. Your degree may also prepare you for roles in a variety of settings, such as:

- Sales
- Customer service
- Administrative support
- Law enforcement
- Business
- Communication
- Healthcare
- Churches

Note: Roles in some settings may require additional education.
